M. S. DHONI SPORTS CLUB

All round development of a child lies in the everyday activities the child is with. It parts a lot with physical activity in parallel to mental activities. The activities go as exercises during morning assembly, and physical education hour along with various Games, Sports and Yoga activities. All students of each class are considered as a single group and given activities based that.

Based on the activities our students are trained in:

- Cricket.
- Athletic events.
- Badminton.
- Volley ball.
- Kho – Kho
- Basket ball.
- Discus throw.
- Shot put.
- Javelin.
- Kabadi
- Long jump.

By all means our students have participated in:

1. District level athletic events.
2. National level basket ball events.
3. National level cricket events. &
4. National level volley ball events.

We got a chance to conduct a volley ball match in our school at national level. In the upcoming years has planned spreading the wings wide.

Every year we use to conduct sports meet and it reads the years achievement by our children which is widely expected to enjoy by the children.
